COPYRIGHT TRANSFER AGREEMENT

The Global Journal of Multidisciplinary Health Research (GJMHR) are published quarterly online. The GJMHR and Authors hereby agree as follows: In consideration of GJMHR reviewing and editing the following described work for first publication on an exclusive basis:

Title of manuscript:

The author(s) signing this document hereby surrender all rights, title, interest, and copyright ownership of the mentioned work for publication. The work includes the submitted material intended for publication as well as any other associated material submitted to GJMHR. If GJMHR does not publish the mentioned work, the author(s) will get a notification and all rights given in this agreement will be returned to the author(s).

The transfer of rights to GJMHR encompasses, without explicit limitation, the authority to modify, publish, duplicate, distribute copies, incorporate into indexes or search databases in print, electronic, or other forms of media, regardless of whether they are currently in use at the time of executing this agreement, and assert copyright ownership over said work worldwide for the entire duration of the copyright, including any renewals or extensions.

The work shall be owned by GJMHR, which shall include (1) copyright; (2) the right to grant permission to republish the article in whole or in part, with or without fee; (3) the right to produce preprints or reprints and translate into languages other than English for sale or free distribution; and (4) the right to republish the work in a collection of articles in any other mechanical or electronic format.

The article will be published under the terms of the latest Creative Commons Attribution-NonCommercial-ShareAlike License, unless the journal notifies the author otherwise in writing.

The author(s) represent and warrant that they are the sole author(s) of the work, that all authors have participated in and agree with the content and conclusions of the work, that the work is original and does not infringe upon any copyright, propriety, or personal right of any third party, and that no part of it nor any work based on substantially similar data has been submitted to another publication.
