

UNDERTAKING BY AUTHORS

We, the undersigned, give an undertaking to the following effect about our article entitle

“ _____
_____ ”

Submitted for publication in the Global Journal of Multidisciplinary Health Research (GJMHR):-

- The aforementioned paper has not been published, submitted to, or accepted for publication in any other journal.
- We also vouchsafe that the authorship of this article will not be contested by anyone whose name(s) is/are not listed by us here.
- I/We affirm that I/We made substantial contributions to the research work, including (a) the development of the study's idea, design, and/or data analysis and interpretation, (b) the creation or revision of the article with significant intellectual input, and (c) the final approval of the version to be published.
- I/We acknowledge and agree to comply with GJMHR's conflict of interest policy, which requires us to avoid any direct or indirect conflicts of interest. Therefore, I/We commit to promptly informing the editor or editor's designee of any business, commercial, or other proprietary support, relationships, or interests that I/We may have that are directly or indirectly related to the subject matter of the work.

I/We also agree to the authorship of the article in the following sequence: -

Authors' Names (in sequence)	Signature of Authors
1. _____	_____
2. _____	_____
3. _____	_____
4. _____	_____
5. _____	_____
6. _____	_____

Important Note

- a) Each author must sign this form individually, following the provided sequence. If one author has departed from the institution or nation and their current whereabouts is unknown, the senior author may assume the obligation by signing on their behalf.
- b) Any modification, including the addition, deletion, or rearrangement of authorship, will not be allowed without acceptable grounds and the Editor-in-Chief's authorization.
- c) If there is a dispute over the authorship at any point, the article will either be returned or withheld from publishing until the matter is resolved.
